The art show will be held on Saturday, May 20th, from 4 pm to 8 pm, at the Perimeter Art Gallery on 2365 Rice Boulevard, Suite E. Featuring artists Richard Williams and Robert Weir, the art show will also include a live auction benefiting the Children's Art Class Program.

The Perimeter Art show will include hors d'oeuvres, music and wine, in an effort to create a pleasant atmosphere for local and national fine art enthusiasts.

The two featured artists have been widely recognized as leading figures in their fields. Richard Williams' work has been displayed in Moscow, Mexico, Germany, the Cayman Islands and across the United States, with the artist being featured in over 180 exhibitions and 15 solo shows in the last 40 years.

The artist's work has won more than 30 awards, among which are the award of the Robert Rauschenberg Foundation at the National Museum of Art in Washington, and the 2010 "Artist of the Year" at The Arts Alliance at Clear Lake Gala. Richard Williams is currently an art instructor at the Alfred C. Glassell Museum School of Art.

Robert Weir is a Houston artist with a formal education in engineering. He credits his earliest art education to drawing customers at his mother's lunchroom (Wimpy's Grill) in Detroit, Michigan, a small place attracting a wide variety of customers. Observing these varied characters triggered an early interest in human nature, with the artist exploring unique ways of representing the human figure in his art.

Perimeter Art is dedicated to helping artists showcase their works, providing professional art consultancy and framing services for a wide variety of artists.
