Consumers active in the Arts and Design market will be interested to know Colore Colored Pre-Sharpended Pencils Set - 50 Vibrant Colors was been developed with Beginner or Professional Artists in mind.

For example, it features "HIGH QUALITY CORE". Angela Middleton said "This was important because Each pencil spots High Quality Cores and provides excellent color blending outcomes perfect for expressing art presentations. This will be great news for our buyers because It's ideal for a wide range of uses including; coloring pages, learning rainbow colors, idea development for office use, sketching, drawing, layering, blending, burnishing and lots more."

Colore Colored Pre-Sharpended Pencils Set - 50 Vibrant Colors will also have HIGH QUALITY WOOD. This was included because They are very reliable in offering the highest level of durability guaranteed to keep pencil points from snapping under normal pressure. Consumers should be pleased with this since this feature makes them resistant to breakages.

One final piece of information being released, states that the new Colored Pencils will also have VIBRANT COLORS - Developers decided this was critical to the final product because All 50 color pencils are uniquely designed and manufactured for art enthusiasts, as well as aspiring and professional artists. Each pencil comes pre sharpened and color coded for easy identification. The 50 colors include skin tones, bright, neon, red, blue, yellow, green, orange, purple, black, white and so much more. Customers should enjoy this particularly, as They come in an assorted set of 50 pencils and are ideal for a wide range of uses, some of which include: idea development, sketching, drawing, calligraphy and lots more.
