Dallas, TX - Trane recognized Xtreme Air Services as the Pacesetter Award Winner for 2016. Trane's Pacesetter Award was presented at Trane's annual awards event and awarded to the Top Performer in each Region.

This award is given annually to a recipient in recognition for being a leader for positive growth in sales and installations. The prestigious award is given to only a handful of companies that stand out in the North Texas Region.

"Every year we gather to recognize and honor the accomplishments of our premier sales office and our 2016 award winners have done an exceptional job delivering the value and benefits of Trane products to their customers," said Michael Odum, Sales Leader of the Trane's North Texas Sales Office. "In addition to growing their sales and market shares, our winners demonstrated outstanding performance in every aspect of their business. They're truly a top performer and extremely deserving of this honor and recognition." This year the award was presented to Eddie Opplet, founder and owner of Xtreme Air Services, by Ron Hageman, Trane's Dealer Sales Office Manager. Eddie Opplet mentioned while receiving Trane's highest and most prestigious award "Xtreme Air Services was very proud to be named the 2015 Trane S.O.A.R Award Winner and being named the 2016 Trane Pacesetter Award Winner is a true blessing and a testament to each of our employees' dedication to 5 star customer service."

Xtreme Air Services was also named in Trane's "Top 10" for their exceptional 20% growth in sales for three consecutive years and proven 5 star customer service with over 150 5 star reviews on Google.

Xtreme Air Services offers a broad range of energy-efficient heating, ventilation and air conditioning (HVAC) systems; dehumidifying and air cleaning products; service and parts support; advanced building controls, financing solutions and plumbing for residential and commercial units in the Dallas, Texas and surrounding areas.
