Rowland Heights, United States - April 15, 2017 /PressCable/ -- Colore Art today announced that customers looking to buy their next Colored Pencils are now able to purchase their own Colore Colored Pencils 72 Premium Color Pencil Set from Amazon.

The Colore Colored Pencils 72 Premium Color Pencil Set release marks Colore Art's twelfth release in their product line. Everyone within the business was excited when the product launched, especially since those within Colore Art feel that "They come in an assorted set of 72 pencils and are ideal for a wide range of uses, some of which include: idea development, sketching, drawing, calligraphy and lots more."

Angela Middleton, Marketing Manager at Colore Art, when asked about Colore Colored Pencils 72 Premium Color Pencil Set said:

"Are you looking for high quality colored pencils guaranteed to product high quality pigments with rich color saturation to make your Art come alive? Then buy this set of 72 pre-sharpened COLORE COLORED PENCILS today!"

Consumers active in the Arts and Design market will be interested to know Colore Colored Pencils 72 Premium Color Pencil Set was been developed with Beginner or Professional Artists in mind.

For example, it features "VIBRANT COLORS". Angela Middleton said "This was important because Each pencil comes pre sharpened and color coded for easy identification. The 72 colors include skin tones, bright, neon, red, blue, yellow, green, orange, purple, black, white and so much more. This will be great news for our buyers because All 72 color pencils are uniquely designed and manufactured for art enthusiasts, as well as aspiring and professional artists."

Colore Colored Pencils 72 Premium Color Pencil Set will also have HIGH QUALITY. This was included because Each pencil spots High Quality Cores and provides excellent color blending outcomes perfect for expressing art presentations. Consumers should be pleased with this since Ideal for a wide range of uses including; coloring pages, learning rainbow colors, idea development for office use, sketching, drawing, layering, blending, burnishing and lots more.

One final piece of information being released, states that the new Colored Pencils will also have HIGH QUALITY WOOD - Developers decided this was critical to the final product because They are made from high quality wood, which are very reliable in offering the highest level of durability guaranteed to keep pencil points from snapping under normal pressure. Customers should enjoy this particularly, as it's makes them resistant to breakages.
