Colore Art reviews its promise that its Colored Pencils would change things in the Arts and Design space for the better. Further information can be found at <https://www.coloreart.com>. Rowland Heights, United States - April 16, 2017 /PressCable/ -- Colore Art has reviewed the Arts and Design world since it announced the launch of Colore Colored Pencils - 72 Premium Pre-Sharpended Color Pencil Set back in 2014. Colore Art's Colored Pencils was promised to shake things up and 3 years later, facts are in.

Previously, with even a passing glance, a person would notice how everyone has been promising a good quality product at a higher price. The Marketing Manager at Colore Art, Angela Middleton, makes a point of saying "things were always going to change when we launched Colore Colored Pencils - 72 Premium Pre-Sharpended Color Pencil Set".

Angela Middleton continues... "Where you'll likely always see our competitors doing the same old thing, we wanted to providing the best quality products at a reasonable price. We do this because we believe we want people to do creativity with the best quality product that will produce great artworks without limitation of product reliability. Ultimately we knew it was going to be of huge benefit to our customers because they will get the satisfaction of these products without the need to spend more money compared to other similar products. We actually hope others follow suit."

Colore Art was established in 2014. It has been doing business 4 Years and it has always aimed to bring top class art supplies to artists, teachers and students. The objective is to deliver the finest quality of liquid chalk markers, drawing pencils, chalkboard labels and more.

Currently, the closest thing to Colore Colored Pencils - 72 Premium Pre-Sharpended Color Pencil Set is The rough texture leads and poor pigment, but Colore Colored Pencils - 72 Premium Pre-Sharpended Color Pencil Set improved on this by The smooth texture and creamy leads of the rich pigment. This alone was enough to make Colore Art's Colored Pencils more popular with customers in the Arts and Design space, quickly.
