The popular home remodeling company, DuPaul Construction, with consultations at 304-258-9800, announced an expansion of its premier design & build kitchen remodeling services for homeowners in Martinsburg, West Virginia, looking to easily plan, design and build the kitchen of their dreams. Martinsburg, United States - April 16, 2017 /PressCable/ -- The renowned home renovation firm DuPaul Construction has announced an expansion of its highly popular and sought after design & build kitchen remodeling services available for homeowners in Martinsburg, West Virginia.

More information is available at <http://dupaulconstruction.com>.

The DuPaul Construction is an acclaimed home remodeling company with more than three decades of experience serving the design and build needs of homeowners across Martinsburg and the surrounding areas in West Virginia, with a range of leading residential remodeling and custom home building services.

The company has now announced an expansion of its highly sought after design & build kitchen remodeling services which combine a uniquely collaborative, personalized design and planning process with all the custom cabinetry, countertops, backsplashes, painting and electrical, plumbing or flooring expertise required to deliver a functional, elegant kitchen that reflects the client's vision.

Its proven kitchen design and renovation services are provided by a team of seasoned designers, project managers and general contractors with a proven track record for the design excellence, attention to detail, quality craftsmanship and ongoing, open communication which allows homeowners to seamlessly plan, design and build the kitchen of their dreams, on time and on budget.

Consultations with DuPaul Construction and more information on its whole house, kitchen, bathroom, basement and deck remodeling or renovation services or its custom home building solutions can be requested at 304 258-9800 or through the website link provided above along with a portfolio of its most recent remodeling work, multiple homeowner testimonials and details on the full-service, finely tuned design & build approach which earned the home renovation company its industry leading reputation across West Virginia.

The DuPaul Construction team explains that "we have one goal, to bring our clients' kitchen vision to life. For over 30 years, we have been designing and building kitchens that marry form, function, and budget in a seamless and stress free way. Our proven design & build approach offers creative and collaborative solutions that are sure to deliver a kitchen the whole family can enjoy for years to come and which helped make us the preferred remodeling company across West Virginia's Eastern Panhandle."
