Pacific Pizza and Brew is a locally-owned restaurant dedicated to the Bend community. The restaurant was started in 2013, with the goal to provide the local community with a genuine selection of Pacific-inspired pizza and other dishes.

The restaurant uses fresh ingredients and traditional cooking methods to provide top-quality pizza and other dishes. Pacific Pizza & Brew uses in-house dough and from-scratch sauces, as well as cold smoked fish, meat and cheese. The restaurant strives to use locally-produced ingredients wherever possible, in an effort to promote the local cuisine.

In developing its menu, the restaurant draws influences from Pacific cuisine ranging from Alaska to Central America, offering a wide range of authentic Pacific flavors. As well as providing traditional and authentic pizzas, the restaurant also allows its clients to create their own recipes using a wide range of fresh ingredients.

The restaurant also provides a large selection of local beverages, in an effort to provide a complete dining experience for all tastes and preferences.

Through a service called Leapset, Pacific Pizza and Brew provides clients with the possibility to order online and pick up their order at their convenience.

The Bend pizza restaurant strives to provide a unique experience for the entire family, with its services being entirely family-friendly and children appropriate. Each Pacific Pizza and Brew pizza comes with a printed checker set, and children are provided with crayons, paper and sidewalk chalk to express their creativity.

The restaurant offers gluten-free pizza crusts for those looking to reduce their gluten intake.
