Global Power Rental Market Information Report by End-users (Oil & Gas, Utilities, Shipping, Manufacturing, Mining, Construction, and others), by Fuel (Diesel, Gas and others), by Application (Base Load, Stand by Power and Peak Shaving), and by Region - Forecast to 2027
Pune, India - April 17, 2017 /MarketMedia/ -- Market Highlights

The Global Power Rental Market has experienced remarkable growth from past few years and it is expected to grow at same level in forecasted period.

Considering the sudden surge in the construction industry in the recent times the demand in the power rental market is expected to increase. The need for revamping the old Transmission and Distribution infrastructure is beckoning the growth of the power rental market.

With many countries looking to develop their infrastructure, heavy investments have been made to boost the infrastructural activities globally. All these factors are playing a major role in the growth and development of the power rental market. Lack of permanent power capacity in developing nation's leads to energy shortage which further leads to creating a market for power rental.

Major Key Players

- o Aggreko (U.K.)
- o Cummins(U.S.A)
- o Hertz, Caterpillar Inc. (U.S.)
- o Sunbelt Rentals(U.S.A)
- o United Rentals(U.S.A)
- o Ashtead Energy PLC (U.K.)
- o APR Energy PLC (U.S.)
