

Bear Bowl Launches Kickstarter Campaign For Portable Cook-Pot

Bear Bowl Partners With Funded Today To Attract More Backers

Bear Bowl Partners With Funded Today To Attract More Backers Spokane, WA, United States - April 17, 2017 /FundedToday/ -- Bear Bowl has just launched a campaign on Kickstarter for their cook-pot that fits in a pocket. With the help of Funded Today, they hope to reach their goal by the end of May 2017.

About The Bowl

Bear Bowl is a lightweight, collapsible cooking pot designed for hikers, backpackers and campers. It's made of a food-grade, fire-resistant material that can fit up to 32 ounces of liquid. The material is easy to clean and the bowl is collapsible, making it perfect to pack and easy to set up. Bear Bowl is also equipped with an aluminum base to increase cooking times.

Pricing and Availability

Bear Bowl has partnered with Funded Today to help bring their campaign to a wider audience and attract more backers. Once the project ends, the bowl is set to be produced and shipped to backers by June 2017. The starting price for one Bear Bowl is \$19.

To learn more about the Bear Bowl or to back the campaign, you can visit their Kickstarter page here:
