Recent years have seen a rise in the popularity of personalized accessories, with many people preferring themed items that can be offered as gifts, or simply worn as a fashion or cultural statement.

Typically associated with teenage culture and metal music, Goth accessories have seen a similar rise in popularity, as their versatile designs make them appropriate as gift ideas and Halloween accessories, among many other uses.

Dome Ignite has launched a new skull-themed ring to celebrate the launch of Kong: Skull Island, the popular film starring Tom Hiddleston, Brie Larson and Samuel L. Jackson.

Kong: Skull Island, finds King Kong confronted with man and other beasts in the uncharted Skull Island in the Pacific. Fans of Skull Island and other Kong Movies can now celebrate the launch of the new film with the new Dome Ignite skull ring.

The new ring is designed as both a quality Goth accessory and a durable piece of jewelry. The ring is made of stainless steel with a durable silver plating, and it is decorated with fashionable crystal for a unique design.

The Dome Ignite ring is currently available in sizes 8 through 12, making it ideal for Goth and King Kong fans of all ages.

Dome Ignite also provides a large selection of skull-themed items, including drinkware, clothing, footwear and various jewelry. All items are constantly tested for top quality standards.

The company announced that it plans to continue to update its selection of skull- and goth-themed products, in an effort to respond to the various demands of both Goth fans and the general public.
