The highly popular tree trimming and removal company, First Call Tree Services, with free estimates, announced they are now providing its complete and trusted range of tree surgery and care services for home and business owners in Oklahoma City, Oklahoma. Houston, United States - April 18, 2017 /PressCable/ --

The popular First Call Tree Services has announced it is now providing its renowned range of tree care services for home and business owners throughout Texas, to safely and quickly get their yards or gardens into shape for the spring and summer time.

More information is available at <http://www.firstcalltreeservices.com>.

The First Call Tree Services are some of the most popular, experienced and trusted tree surgeons in the state of Texas, sought after by most home or business owners in Austin, Dallas, Houston or the San Antonio areas who are looking to properly, quickly and safely fell, maintain or dispose of trees, branches and stumps.

The tree surgeons have announced they are now also providing its renowned range of tree and hedge services, from safe felling and removal to trimming, pruning, planting, branch thinning and bracing/propping of leaning trees or cleaning of crowns and dead wood, for clients across Oklahoma City who wish to get their yard or garden into shape for the spring and summer times.

Its highly popular and sought after tree maintenance, removal and inspection services are delivered by a team of trained, licensed, skilled and seasoned tree surgeons equipped with all the necessary gear to quickly, safely and properly tackle even the most challenging tree or hedge jobs with minimum disruption to the client's home, family or business.

Free quotes and consultations with First Call Tree Services or more information on its ample range of tree surgery and care services can be requested through the website link provided above along with details on its full service area and the expertise, track record and renowned customer service philosophy that have earned the company its leading reputation in Texas.

As Manager of First Call Tree Service, Robert Wickham, explains, "As we enter the Spring, the time to tidy up trees, remove branches and trim hedges to get the garden back into shape is upon us. The smartest decision is to leave all that with the specialists. Our tree surgeons come with the tools and competency to tackle all those overgrown or fallen trees and branches blocking out the sunlight or ruining the look of the garden, and do it right, the first time."
