Metairie, United States - April 18, 2017 /PressCable/ --

In a slightly different approach to launching its new Clean Air Solutions service for mold removal, pet odor removal and air testing, Integrity Air Quality Solutions, a Mold Removal company servicing New Orleans, Metairie and the West Bank has decided it will begin providing a quality professional service for your area, and this will begin in just two short weeks!

Where most businesses tend to just use word of mouth, Integrity Air Quality Solutions has decided to think out side the box with the expansion of its Clean Air Solutions service in the Baton Rouge area.

Tony Penick, Owner at Integrity Air Quality Solutions, says: " We wanted to think outside the box with the launch of this new location for mold removal service because we provide a level of service that is not available in this area, and not many companies our size do a press release! "

It should be really worthwhile and we're hoping it bring awareness to dangers of mold and especially black mold in the home. It should go perfect unless another great flood hits the Louisiana area!"

Integrity Air Quality Solutions has always made a point of standing out when compared to other Mold Removal Services in the New Orleans area. This launch celebration is just one of the many ways it does so. They are proud of their accomplishment and have 1000's of satisfied customers.

This is a great chance for residents from Baton Rouge to New Orleans to learn more about how to protect their family from the dangers of mold and support a company dedicated to providing a quality service to their customers.

Integrity Air Quality Solutions has been serving the New Orleans, Metairie & West Bank area since 1999. To date it has served well over 1000 customers and has become recognized as one of the most trusted in the area. It can be found on 3924 Peoples St, just outside of the Greater New Orleans Area.

Tony Penick also said: " While Integrity Air Quality Solutions may not be the only business with this kind of offering, local residents are choosing Integrity Air Quality Solutions because Professionalism and Quality of workmanship."

When asked about the new Mold Removal, Pet Odor Removal and Air Testing service, Tony Penick said: " We think it's going to be a hit because our services protects families and their pets ".
