

## **Bark & Benjamin Launches Kickstarter Campaign For Automatic Wood Watch Line**

*Bark & Benjamin Partners With Funded Today*

Bark & Benjamin Partners With Funded Today Washington, DC, United States - April 18, 2017 /FundedToday/ -- Bark & Benjamin has just launched a Kickstarter campaign for their unique wood wrist watches. They have brought on Funded Today to help increase awareness for the campaign and encourage backers to pledge.

### **About The Watches**

The Bark & Benjamin Watch collection comes in three types of wood: red sandalwood, ebony and dark sandalwood. Each watch was made with comfort and style in mind. The line features a sapphire glass face, 100 percent natural wood bezel and a Japanese automatic movement. The line also features a butterfly buckle and a splash-proof water-resistant surface.

### **Pricing and Availability**

The Bark & Benjamin collection is available to back now on Kickstarter. The company has partnered with Funded Today to increase pledges for the campaign and to reach their funding goal. Once the campaign ends, the watches are set to be produced and shipped to all backers worldwide by October 2017. The starting price for one watch is \$189.

To learn more about the Bark & Benjamin collection or to back their campaign, you can visit their Kickstarter page here:
