The leading Arizona window and glass contractors, Superior Glass, providing free estimates 602-777-3717, announced the launch of a new line of quality window and sliding door sun screens ideal to improve the look and functionality of a home or business during the summer. Phoenix, United States - April 18, 2017 /PressCable/ -- The premiere Arizona glass company, Superior Glass, has announced the launch of a new line of high quality sun screens for windows and fixed or sliding doors, ideal to keep the sun out and improve the look and functionality of a home or business.

More information is available at <http://windowrepairphoenix.com/screens>.

Superior Glass is the most popular and sought after glass company in Arizona, chosen by most homeowners and businesses in the Phoenix area looking for quality windows, screens or storefront glass and quick, reliable window or glass repair, replacement and installations, at prices they can actually afford.

The popular glass company has now announced an expansion of its leading range of screen products and services, which includes some of the most durable, heavy duty security screens to protect homeowners from unwanted bugs, golf balls and pets or the most trusted window and sliding door screen repair services in Arizona, with the launch of a new range of high quality sun screens.

Its new line of cutting-edge solar screens, which can be installed in anything from windows to fixed or rolling doors, are specifically designed to provide a more functional, efficient and comfortable atmosphere during the summer by allowing homeowners to keep the sun out and let in fresh air and breezes, while improving the look and value of their property.

Free quotes and consultations with Superior Glass or more information on its new range of solar screens can be requested at 602-777-3717 or through the website link provided above along with details on the affordable, award-winning range of window and glass repair, replacement and installation services which earned the company its 5-star rating and leading reputation across the Valley of the Sun.

The Superior Glass explains that "we offer a complete line of screen products and services able to meet any home or business need. We know our clients only want the best for their home or family, so we only deliver the high quality screens and cutting edge installation they need to enhance the look and efficiency of their home. We are now offering a range of sun screens perfect for windows or sliding doors and a welcome addition to any home, just in time for the summer."
