*Asian Singles International (AsianSingles2Day.com) Launched an Automatic Translation Feature for Live Chat with 12 New Languages. The online dating site expands opportunity for men to meet and marry single Asian women with new live chat features.*

Asian Singles International (AsianSingles2Day.com) Launched an Automatic Translation Feature for Live Chat with 12 New Languages. The online dating site expands opportunity for men to meet and marry single Asian women with new live chat features. Nikosia, United States - April 19, 2017 /PressCable/ --

Asian Singles International (AsianSingles2Day.com), a premium Asian dating service that helps men from all over the world connect with Asian women of Chinese, Thai, and Vietnamese backgrounds and find their perfect Asian mail order bride with the purpose of building serious relationships, announced the launch of an automatic translation feature for its Live Chat service, offering 12 new languages. The communication protocol in AsianSingles2Day.com's Live Chat has now become even more intuitive and simple-to-use, wherever users are in the world.

The new Live Chat feature allows members to read messages from their ladies and compose messages to send back to them in German, Spanish, French, Italian, Dutch, Portuguese, Finnish, Swedish, Danish, Chinese, Japanese and Arabic. Further, a user's knowledge and mastery of the English language is no longer 100-percent vital for Asian women dating, as the world's most popular dialects are at their disposal in Live Chat.

"This new feature on AsianSingles2Day is very easy to use - all members need to do is select their language in the Live Chat window and mark the checkbox," explains an Asian Singles International spokesperson. "This action will choose and activate the language the user wishes to use; if English is preferred when chatting, users just leave the checkbox empty and this will remain selected by default."

Asian Singles International also recently announced that the latest feature of its Live Chat service is now available in the mobile version of its website, as well, promising "significantly improved" online communication between AsianSingles2Day.com members and the ladies in Live Chat. Now, users can easily read and compose messages in their native tongue from any PC, laptop, tablet PC or other mobile device, with the option activated by simply selecting the language and marking the "Automatic Translation" checkbox.

With the exceptional, confidential feature that is Live Chat, AsianSingles2Day.com members can relax and present themselves easily as they build the relationship with the Asian girl of their dreams. Live Chat is unique what with its ability to help members find and start communicating with ladies instantly; all members do is click on the "Chat Now" icon in the profile of the beauty they wish to talk to, and chatting begins - no special software or other settings required on the computer being used. Live Chat is completely integrated into the AsianSingles2Day.com website.

The process begins when prospective members sign up at AsianSingles2Day.com and begin chatting online with any lady who is available, accessible via the Online Ladies catalog on the site. Users can browse Online Ladies' profiles and choose one or a few for an online chat; to invite a lady into a Live Chat, users click the "Chat Now" link beside her small photo, with a Live Chat window appearing automatically in response.

AsianSingles2Day.com provides a personalized service that is powered by the latest technology, the

popularity of the site growing year after year due to the innovative high-quality services and professional customer care Asian Singles International offers. Further, users can be confident that each woman is genuine, with a guarantee that every lady in its catalog has been verified.
