The popular Contractors Institute announced it is now providing Nevada Construction Management Survey (CMS) and National NASCLA exam prep classes to prepare contractors to pass the exam on the first try with its proven and praised instruction method, holding a 98% pass rate. Richmond, United States - April 20, 2017 /PressCable/ --

The popular contractor exam prep center, Contractors Institute, has announced it is now offering Nevada Construction Management Survey (CMS) and National NASCLA exam prep classes tailored to help contractors pass these exams on the first attempt.

More information is available at <http://contractortrainingcenter.com>.

Contractors Institute is an acclaimed contractor training and exam prep company providing a comprehensive and leading range of exam prep resources, classes and seminars with an instruction method praised by numerous state colleges, proven to quickly educate and prepare contractors across the U.S. to pass their tests on the first try and holding a pass rate of 98%.

The renowned contractor exam prep institute has announced it is now offering premier Nevada Construction Management Survey (CMS) exam prep classes combining all the essential practice tests with a complete review of the Nevada CMS Manual conveniently tabbing and highlighting pertinent areas that will be useful during the exam.

Its highly popular and sought after range of contractor prep courses, available both in-class or online so they can be viewed and consulted by students anywhere at any time, now also include National NASCLA exam prep classes for contractors in Nevada, Oregon, Georgia, North Carolina, South Carolina, Utah, Virginia, Alabama, Louisiana and the Virgin Islands.

Consultations with the Contractors Institute and more information on its newly announced Nevada CMS or NASCLA exam prep classes can be requested at 804-556-5518 or on the website link provided above along with details on the complete range of webinars, seminars, courses and book/manual bundles it provides contractors in 14 different states across the U.S., its proven track record helping students pass on the first try and multiple testimonials from its grateful clients.

The Contractors Institute team explains how "our goal is to educate and prepare contractors to pass their test on the very first attempt with ease and knowledge of the materials. Our students do very well on these tests and very few struggle with the material after we instruct them on how to navigate these books and exams. All our classes are carefully designed by experts in contracting and exam development to make sure anyone can understand the material quickly, with a pass rate of 98%."
