The past few months have been busy at Teddy Shake. Their latest product, their silk Hawaiian leis, was released on Amazon.com just a few months ago and has instantly become a best-seller and customer favorite. A Teddy Shake company spokesperson issued a statement today to remind new, potential customers that since the leis are sold exclusively on Amazon.com, there are many options available for free shipping.

"How many times are you shopping on the internet and find the perfect product, at a price that you think is reasonable," explained company spokesperson Bailey Anderson. "Then you go to purchase the item, and shipping is half the cost of the item itself. On top of that, there is no guarantee or indication when you will receive your item, and in the end, you turn away and look for other options. We understand this frustration. One of the great things about our partnership with Amazon.com is that through them, free shipping is available to many of our customers. If a customer is an Amazon Prime customer, they can receive their leis in just two days with the Amazon Prime free two-day shipping. Any other customers can combine their lei purchase with millions of other items, and with that order reaches just \$49, it too will ship for free. This can be a huge savings and great advantage for our customers."

The Teddy Shake silk Hawaiian leis have received fantastic feedback from customers so far. Of the current reviews posted on the Amazon.com listing for the leis, one hundred percent of customers say they like their Teddy Shake leis. Christopher, a verified purchaser of the leis, wrote a five-star review recently and said "These Leis are so colorful. As soon as I opened the package, I knew I was glad I had ordered these. They are vibrant and a great deal. I needed a lot of Leis for a party I was throwing so I thought why not head to Amazon to pick them up. So convenient ordering these online, plus when I opened the package it was easy to sort, there wasn't any tangling or damaged leis in the package. I can only say if you need to get leis this is the easiest way to get them."

Each Teddy Shake silk lei measures thirty-six inches in length, so the leis easy to put on and take off. The flowers used to make the leis is made from the highest quality silk, to ensure that each lei is comfortable to wear, and not scratchy. The Teddy Shake leis are all vibrant, bright colors and the silk leis a perfect addition to any celebration.

Sold exclusively on Amazon.com, each box of fifty Teddy Shake leis is currently priced at \$19.99. Free shipping is available.
