MD Skin Lounge, has announced that they are adding the newest addition to the Juvederm line of fillers, Juvederm Vollure XC, to their list of services. Scottsdale, United States - April 20, 2017 /PressCable/ --

MD Skin Lounge, founded by board-certified plastic surgeon, Bryan W. Gawley, M.D., has announced that they are adding the newest addition to the Juvederm line of fillers, Juvederm Vollure XC, to their list of services.

Juvederm Vollure XC has been FDA-approved to treat moderate to severe facial wrinkles and folds, such as nasolabial folds, in adults over the age of 21. Like other Juvederm fillers, Juvederm Vollure XC is formulated using Allergans VYCROSS technology, which creates a long-lasting gel consistency by blending different molecular weights of hyaluronic acid.

Juvederm Vollure XC sets itself apart from other facial fillers by delivering the longest-lasting results shown in a clinical study in the nasolabial folds; up to 18 months.

Patients can expect to see natural-looking results immediately after injection. There is little to no downtime associated with Juvederm Vollure XC, so patients can often go about their daily activities immediately after. The most common side effects associated with Juvederm Vollure XC include swelling, tenderness, bruising, redness, and itching, though most of these resolve within one week.

About Dr. Gawley

Dr. Gawley is the founder and owner of MD Skin Lounge and Gawley Plastic Surgery. He performs plastic and cosmetic surgery of the face, body, and breasts, as well as an array of non-surgical skin revitalization procedures. He performs most all cosmetic and plastic surgery procedures in the licensed and accredited North Scottsdale Outpatient Surgery Center.

Dr. Gawley is board-certified by the American Board of Plastic Surgery and completed a five-year accredited plastic surgery residency training program at the University of Texas, Galveston. During his residency, Dr. Gawley completed the externship at the M.D. Anderson Cancer Center. His comprehensive training, focus on patient care, and outstanding results have made Dr. Gawley one of the most sought-after plastic surgeons in the Scottsdale and Phoenix areas.
