

Precipitated Silica Market Professional Survey and In-depth Analysis Research Report Forecast to 2022

Global Precipitated Silica Market Information- by source (Sulfuric Acid and Sodium Silicate), by application (Rubber, Pharmaceutical, Oral Health care, Food and Beverage and others) and by Region - Forecast to 2022

Global Precipitated Silica Market Information- by source (Sulfuric Acid and Sodium Silicate), by application (Rubber, Pharmaceutical, Oral Health care, Food and Beverage and others) and by Region - Forecast to 2022 Pune, India - April 21, 2017 /MarketMedia/ -- Market Highlights

The Global Precipitated Silica has experienced remarkable growth from past few years and it is expected to grow at same level in forecasted period. With rise in population there is increase in demand for footwear, tires, rubber hoses etc. which makes rubber industry to use precipitated silica as a substitute for enhancing quality of product. Precipitated silica is also used in manufacturing of oral health products which acts as thickening agent.

As per the market analysis, different factors have driven the market for increasing demand in application industry, substitute for manufacturers, low and effective labor cost in APAC, emerging economies and others.

Major Key Player

- o Evonik Industries AG
- o Solvay S.A
- o Tosoh Silica Corporation
- o PPG industries
- o Zheng Yuan Chemical
- o W.R. Grace & Co
- o Huber Engineered Materials
- o Anten Chemical
- o Madhu Silicate
- o Oriental Silicas Corporation

Over the past few years, the global market has witnessed an impressive growth due to increasing demand of Precipitated Silica. This has brought out a higher growth rate of the global Precipitated Silica market at the end of forecasted period.

Asia-Pacific is largest market share. Countries like China and India have developed in chemical manufacturing due to low cost of labor, easy availability of raw material and high demand from end use industries like tires, toothpastes, footwear and others.

Intended Audience

- o Supplier and traders of precipitated silica
- o Manufacturers of precipitated silica
- o Rubber manufacturers.
- o Research Institute / Education Institute.
- o Potential Investors.
- o Key executive (CEO and COO) and strategy growth manager.
