

Mentalist Ehud Segev Plans New Shows in the US This Year

Mentalist Ehud Segev will perform at more shows in the US this year

June 9, 2017 (FPRC) -- Ehud Segev is scheduled to entertain guests and perform his magic feats at a number of upcoming events this year. This announcement comes barely two weeks after the Mentalizer entertained guests at the rooftop of 433 Broadway in New York City. The Broadway event, which was packed full, saw Ehud Segev unleash some of his all-time best feats.

Ehud Segev is one of the world's most famed mentalists. He was born in the Israeli city of Safed back in 1979. As a young boy, Ehud spent a lot of time indoors reading books on mentalism, mind-reading, body language, and other complicated subjects. By the time he was a teenager, Mr. Segev was already becoming a national figure in the field of mentalism. When he was 19 years old, Mr. Segev correctly predicted the winner in a mayoral contest by just examining the portrait of all the contestants. Since then, he has traveled the world and performed in nearly every major city around the globe. Mr. Segev has also been interviewed by the Wall Street Journal, as well as appeared on major TV shows both in Israel and abroad. At one time, Ehud was featured on NBC's hit show, Phenomenon.

Through his official website, Mentalizer.com, Ehud has said that he has at least 3 new events lined up in New York City, and a couple of more events that will be held up in various cities across the US. This marks a busy schedule for the mentalist, who also runs a children's book series business at Ponzey.com. Ehud Segev has in the recent past attended corporate events where he has educated corporate employees on the art of effective communication and other workplace-critical skills.

Ehud, who's also known as 'The Mentalizer', is also the bestselling author of two books: Secrets of the Voice, and the 9 Steps to Influence. The first book offers incredible tips on how ordinary people can listen to the unsaid by just paying attention to the variations of other people's voices. On the other hand, the 9 Steps to Influence offers some basic tips on how people can be mentalists. Both of Ehud's books are available online via Amazon Kindle Store.

Hannah Tiram, the communications director at Mentalizer.com, said, "Ehud's schedule is nearly full for the coming few months. We've received a lot of positive ratings as well as requests from interested people after the Broadway performance. Our team is going through the completed requests right now to determine the next stop for the mentalist, who's attracted global fame. As the year stretches out, we are going to see a lot of new mind-blowing performances in New York City, and in other major cities around the US."
