

9 Steps to Influence Audio Book Now Available

9 Steps to Influence now available at audible.com

June 22, 2017 (FPRC) -- Ehud Segev's bestselling book, 9 Steps to Influence, is now available in Audio form. This means that users who prefer to listen as compared to reading can now absorb the contents of this top-rated text. Previously, the book was only just available at Amazon's Kindle platform. The move to launch it on Audible is a plus for Ehud Segev's fans, and folks who might be trying to learn a few things about the field of mentalism.

'9 Steps to Influence' is a unique book that reveals the secret techniques mentalists use to influence and manipulate people. In this comprehensive beginner's guide, bestselling author Ehud Segev teaches people the basics of mentalism in an easy, and fun way. The book gives its readers the ability to influence others, as well as to change their life for the better.

Earlier this year, Ehud Segev was ranked as the 3rd most skilled mentalist in the world by BestMentalist.com. Born in the Israeli city of Safed, Ehud Segev developed an interest for mentalism early on. As a young boy growing up in Upper Galilee, he spent hours on end reading books on cryptic subjects such as body language, mind reading, and mysticism. By the time he was a teenager, Ehud was already a national sensation in Israel. At one time, he analyzed 12 contestants who were vying for a mayor's election, and correctly predicted the winner. Completely amazed by the teenager's special talent, the media christened Ehud Segev as the 'Mental Analyzer'. To date, Mr. Ehud is known as the 'Mental Analyzer'. He has travelled the world and entertained guests in almost every major city. Mr. Segev also educates employees on important work skills such as body language and effective communication.

The audio book narration of '9 Steps to Influence' at Audible.com is 4 hours, 13 minutes long. The text is narrated by Dave Wright, is a great starting point for people who want to learn more about mentalism. Individuals who would have loved to read Ehud's '9 Steps to Influence' book but didn't have time to go through the volumes of pages now have no excuse.

In addition to Audible.com, 9 Steps to Influence will continue to be available via Amazon's Kindle platform. Secrets of the Voice, Ehud's other top book, is also available in eBook, paperback, and audio form online.

Hannah Tiram, a brand manager at Ehud's Mentalizer Education, has said that they are looking to increase the availability of Ehud's top works. The decision to launch this book on Audible followed the introduction of Ehud's other book (Secrets of the Voice) on the same platform.
