

Mentalizer Education Launches Mentalizer.Org

Mentalizer Education has launched a new website, Mentalizer.org

June 22, 2017 (FPRC) -- Mentalizer Education, a premier organization that offers performances, learning and resources on effective communication, mental toughness, mind reading and other techniques related to mentalism, has launched a new domain name. The new site – Mentalizer.org – will serve as an enrollment platform to bring more people on board. Mentalizer.org will also introduce complete beginners to the world of mentalism.

Mentalizer Education is an organization by Ehud Segev, one of the world's top mentalists. In a ranking released by BestMentalist.com earlier this year, Ehud was ranked number 3 among the world's most skilled mentalists.

Mr. Segev was born in the Israeli city of Safed back in 1979. Growing up in Upper Galilee, he spent a lot of his boyhood years reading books on mind-reading, body language, mysticism and other not-so-everyday subjects. As a young boy, Ehud already had an extraordinary ability to read people, as well as make them laugh. By the time he was 19 years old, Mr. Segev correctly predicted the winner of a mayor's election from a total of 12 contestants. Surprised at his unique capabilities, the Israeli media christened him the 'Mental Analyzer'. Borrowing from this tag, Ehud is now known as the 'Mentalizer'. Mr. Segev has appeared on major international TV shows and broadcasting networks. He was featured on NBC's hit show, 'Phenomenon', as well as many other shows of international repute. Mr. Segev also entertains guests at high-profile events in major cities around the world. He also educates corporate employees on important workplace skills such as body language and effective communication.

Ehud is the bestselling author of two books – Secrets of the Voice, and 9 Steps to Influence. Secrets of the Voice is an elaborate guide that educates readers on how they can read other's mindset by paying attention to variations of the voice. 9 Steps to Influence, on the other hand, is a crash course into mentalism. Both books are available in Kindle format, Paperback, and Audio format.

Hannah Tiram, the brand manager at Ehud's Mentalizer Education, said, "We are glad to announce our new website domain – Mentalizer.org – which will be dedicated to people who want to enroll for the Mentalizer experience. In addition to viewing a special message from Mentalist Ehud Segev, readers also learn some basic things about Mentalism. This new site focuses on the Language of the Universe, Non-Verbal Communication, and the Codes of the Mind for folks who are fascinated by the supernatural. Join the Mentalizer club, and stay tuned to our brand for much more."
