PheekoTM Offers as Part of its New Image Launch 40% Discount on its Star Product: Pheeko Pull Up Assist Band Set

"Pull ups could be really challenging for most people, which makes it tough to get started on those movements until you have a base level of strength, but Pheeko's got its consumers covered. It offers them 4 different assist bands for different levels scaling from starters to experts giving them the opportunity to scale-up in their training" says Francisco Jarrin, Member of NovamenTM, LLC, owner of PheekoTM brand.

On top of a 40% introductory discount on the sets, the first consumers to buy a single PheekoTM Pull Up Assist Band will get it for only $2.99 in Amazon.com during the next 4 days by registering to the promotion at http://pheeko.com/pull-band-coupon.

The PheekoTM Pull Up Assist Band are available on Jmerx.com (https://www.jmerx.com/products/fitness-pull-up-assist-bands-set-by-pheeko), Amazon.com (https://www.amazon.com/dp/B01L9CZL60) and eBay.com (http://www.ebay.com/itm/262769477576?ssPageName=STRK:MESELX:IT&_trksid=p3984.m1555.l2649).

PheekoTM is giving out 15 promotional coupons per band color to be used for 4 consecutive days this week (one day for each band). The first 15 people who register per band will receive a confirmation email with the coupon and the day to use it in Amazon.com to bring down the price to $2.99. Take advantage of this new image launch by registering at http://pheeko.com/pull-band-coupon/
