August 19, 2017 (FPRC) -- BestMentalist.com, a site that reviews mentalists, has said that it's looking to interview some of the leading mentalists in today. This announcement comes barely a month after the firm published their annual list of the top 7 mentalists in the world today. BestMentalist.com has committed to providing information on some of the best magicians, performers, and mentalists out there. The website provides unbiased information on professionals in this industry, as well as teaches event organizers and party planners on how they can get in touch with the top cream of the industry.

BestMentalist.com is an authority website that provides information on mentalists, magicians, and others. The company has said that it's not affiliated to any mentalist and that it relies on factors such as ratings, the number of events attended, as well as tv appearances to determine who makes it to the top of their list.

Last month, the firm released their annual list of the best mentalists around the world, which highlighted top-notch professionals such as Derren Brown, David Blaine, Ehud Segev, Marc Salem, The Amazing Kreskin, Uri Geller and Marc Helfand in that order. Derren Brown, who made it to the top of the list this year, is a world-renowned mentalist and performer. Mr. Brown has stunned audiences around the world, as well as debunked the paranormal in incredible ways. Among other things, Derren Brown is a master mental analyzer and a keen performer who has thrilled audiences around the nation with his live shows.

David Blaine, the 2017 #2 on the bestmentalist.com list of the best mentalists around the world, is a New York based performer of Puerto Rican descent. Mr. Blaine gained a sharp interest in magic while he was still a young boy growing up in New York. Today, he travels the world and performs incredible feats on live stage. Mr. Blaine has also appeared on numerous TV shows.

Ehud Segev, who ranked position 3 on the bestmentalist.com list this year, is also a globally-renowned top performer. Born in the city of Safed, Israel, Ehud developed a keen interest in the impossible while at a young age. As a young boy growing up in Upper Galilee, Ehud spent a lot of his time reading books on mentalism, mind reading and mysticism at the local library. Today, Ehud has appeared on dozens of national and international TV shows. He's one of the most respected mentalists, communicators and body language expert in the field today.

Josh James, the site manager at bestmentalist.com, has said they are looking to secure interview slots with the top three mentalists on their recently released list.
