

## **Mentalist Ehud Launches New Site**

*Ehud Segev has launched a brand-new site, Mentalizer.org*

August 19, 2017 (FPRC) -- World renowned mentalist Ehud Segev has launched a new website where he'll be able to share his immense knowledge in mentalism, as well as interact with his fans. This comes barely two weeks after Mr. Segev announced that he was looking for new platform via which his fans from around the world could get in touch. The new site creates a one in one platform where followers of Ehud Segev can ask questions, or get in touch on just about anything.

Ranked one of the 3 best mentalists in the world today, Ehud Segev was born in the Israeli city of Safed back in 1979. While growing up in Upper Galilee, Ehud spent most of his childhood years reading books on mind reading, body language, power communication, mysticism and other cryptic subjects. By the time he was a 19-year-old teenager, Ehud was already so good that he could easily read minds and decode body language. At one time, he correctly predicted the winner in a mayor's election by studying face photos of the 12 contestants. Since then, Mr. Segev has traveled the world and performed on hundreds of events. At one time, he was awarded the exclusive EB-1 classification by the U.S Department of Homeland Security for his work entertaining U.S. servicemen. Mr. Segev has also appeared on dozens of Israeli and International TV stations. On an ongoing basis, he educates corporate employees on essential communication and body language skills.

The new platform, Mentalizer.org, will publish information on non-verbal communication, mind reading, and decoding the universe. According to Ehud Segev, people can learn to know how the universe is trying to communicate with them on an everyday basis. This happens when individuals are able to read the signs in the world around them. Nonverbal communication, on the other hand, has everything to do with decoding body language and making meaning from it. Mr. Ehud will use his body language expertise to teach his audience how they can be more effective communicators on an everyday basis.

In addition to being one of the leading mentalists in the world today, Ehud Segev is also the bestselling author of two books: Secrets of the Voice, and the 9 Steps to Influence. Secrets of the Voice focuses on how the voice can be used as a tool to decode meaning and exert influence. 9 steps to influence, on the other hand, is a book that focuses on the basics of mentalism. Both books are available on Amazon.com.

Hannah Tiram, the brand manager at Ehud's Mentalizer Education, has said that the new site is already live and that Ehud's fans or event's organizers can directly get in touch with him through the contact us form.
