

Mentalizer Education Launches New Service Website with Toll Free Number

Mentalizer Education has launched a new website, Mentalizer.org

August 25, 2017 (FPRC) -- Mentalizer Education has today introduced a new website, Mentalizer.org, that the company has said it'll use to get in touch with its fans around the world. This announcement comes barely two weeks after the organization launched an online store where users could purchase its popular products on mentalism, and Tv shows featuring mentalist Ehud Segev. Apparently, Mentalizer Education is looking to establish itself as the de facto provider of informational resources in the market right now.

Mentalizer Education is an organization by Ehud Segev, one of the most popular mentalists in the world today. The 2017 bestmentalist.com rank put Ehud Segev at position 3 in their list of the top 7 mentalists in the world today.

Ehud Segev was born in the Israel city of Safed, and grew up in Upper Galilee back in the 1980s. Young Ehud spent most of his childhood days reading books on mindreading, body language, communication, mysticism, and other cryptic subjects at the local library. At one time, the local librarian was so alarmed that he requested the young boy to bring a written permission from his parents. Ehud Segev's early interest in mentalist would exhibit when he was a teenager. At one time when he was 19 years old, he predicted the correct winner of a mayor's election by just studying face photos of the 12 contestants. Since then, Mr. Segev has been a national and international sensation. He's appeared on numerous Israeli, American and international Tv Shows. At one time, he was featured on NBC's hit show, Phenomenon.

Today, Ehud Segev travels around the world, entertaining guests in almost every major city. He also educates corporate leaders on essential skills such as body language and power communication. Ehud is also the bestselling author of two books, 9 Steps to Influence, and Secrets of the Voice. 9 Steps to Influence is an elaborate text that introduces readers to the fundamentals of mentalism. On the other hand, Secrets of the Voice is an easy-to-read text that explains how the voice can be a double-edged sword, and a powerful communication tool for that matter. Both of these books are available in eBook format on Amazon's Kindle platform, and in Audiobook format on Audible.com.

Hannah Tiram, a spokeswoman at Ehud Segev's Mentalizer Education, said, "We are glad to announce that we have launched a new website with a toll free number that customers can use to get in touch with our team. Anyone who's looking to learn more about mentalist Ehud Segev or book his services can directly contact us to make arrangements. Our fans around the world can also use the contact page on our mentalizer.org site to get in touch with Ehud himself. Stay tuned to Mentalizer for more."
