

New kids on the block: Interactive Palette launches 5 websites

We've recently finished up 5 new website launches and would like to take the time to welcome these new additions to our growing client base at Interactive Palette. As always, we are grateful to take part in each of our clients' business journeys. Our expertise has been proven to assist a wide variety of client types and needs and we are very proud to work with each one of them.

December 27, 2017 (FPRC) -- Interactive Palette recently finished up 5 new website launches and would like to take the time to welcome these new additions to our growing client base at Interactive Palette. As always, we are grateful to take part in each of our clients' business journeys. Our expertise has been proven to assist a wide variety of client types and needs and we are very proud to work with each one of them.

Y.E.S (Your Electrical Solutions)

Y.E.S. is recognized in Massachusetts as a premier electrical union contractor, offering experience and expertise in electrical service since 1996. With a mission to provide superior electrical service and maintain a reputation of reliability and timely response, Y.E.S. excels with a plethora of electrical needs, such as low voltage solutions, design build engineering, power, lighting, fire alarm, telecommunications, security, audio/visual and much more.

Northern Fabrication Solutions

Combining a passion for year-round lake activity with years of fabrication, sales and management experience, NFS was born to offer customers creative solutions in precision welding, fabrication and machining services. They offer fabrication of items related to having fun on the lake in any season - ice houses, frames, docks, and truck beds - along with welding and repair services, too. With NFS, customers can expect excellent workmanship, quality and satisfaction.

1048 Bar & Grill

This establishment has become a "go-to" for those looking for a great time, whether for a family dinner or cocktails with friends. This neighborhood place became a reality in 2014 when two Joe's purchased the previous establishment and turned it into what it is today: 1048 Bar & Grill. With an award winning kitchen, guests can find a wide variety of delicious food to satisfy their cravings.

Salon Elegance & Spa

Salon Elegance & Spa offers much more than an appointment, they offer an experience to relax and enjoy. This bright, open and positive environment is home to 9 stylists, including owner Trisha Cura, who have a decade's worth of combined experience and creativity. Here they offer a wide range of salon services and a full menu of intimate relaxation spa services. Precision and razor cuts, advanced color techniques, lash services, a full facial menu and licensed massage therapy are just a few of the services you can find here.

Express Restaurant Service

Express Restaurant Service specializes in nearly all major, and most minor, manufacturers of espresso, coffee and tea machines. For over 40 years they have been Boston's leading hot beverage equipment service and support company for restaurants, offices, hotels, and homes. If

you're looking to purchase a new (or new-to-you) unit, or if you need repair service and support for your existing unit, Express Restaurant Service is the company for you.

We are happy with how each of these websites turned out, and so grateful for the chance to be part of each business journey. As you may see, our services can be used for a variety of business types. Our range of expertise and work ethic meet the unique and specific needs of each of our clients.

In this internet-savvy world, you can't risk falling behind the competition because your business lacks an effective internet presence. Trust us to give your business an online presence that is tailored just for your unique business needs and purposed to increase your bottom line.

We want to thank Y.E.S., Northern Fabrication Services, 1048 Bar & Grill, Salon Elegance & Spa, and Express Restaurant Service for choosing Interactive Palette. We wish you all the best!
