August 29, 2018 (FPRC) -- Zerria Advertising launches a new service. Zerria has released a new service which will give Advertiser's the ability to add their advertisement easily, and advertise across the Internet. They have the ability to add a diverse amount of advertisement's, from Image Ad's, to Text Ad's, and more. Zerria was created by John D. Hoover Jr, the CEO of Zerria Advertising, when he discovered a need for advertisement diversity, and lower advertising prices in the Pay Per Visit Advertising market. Zerria serves the high school to senior citizen audiences, and all public markets. Advertiser's can signup for free, and using the administration system, submit their advertisement. The minimum deposit for Advertiser's is one dollar. Advertiser's can also use the advertisement topic selector to target their market. Zerria supplies numerous graph's for Advertiser's to check their statistics. Zerria pays it's affiliates 75% commission of the click price, for each visitor referred. Advertiser's can signup, and post ad's of Advertiser's, by inserting a special link in their website. Payment's are sent each week via Paypal and by check. There is no minimum balance to be paid. Zerria has worked hard on getting this together, and will be the dominant provider of Advertising into the next millennium. To signup, go to: <https://www.zerriaadvertisingco.com>.
