

Pacific Wave Computer Consulting Offering Free Tech Support

Pacific Wave Computer Consulting is offering free residential computer services for the Greater Victoria area until the end of October

October 25, 2018 (FPRC) -- Pacific Wave Computer Consulting, located in Victoria BC, is offering free residential computer services until the end of October, 2018.

They're a mobile computer repair service and support company with services for both residential and business clientele. As part of an ongoing promotional offer, they are reaching out to residential clients with an outstanding free offer of support!

The promotion runs until the end of October, 2018. Don't miss out of this extraordinary deal from Victoria's leading IT solutions provider.

Give them a call today to find out more information!

From Pacific Wave:

100% Satisfaction Guarantee – If you're ever not happy with our services, we will do whatever it takes to make you thoroughly satisfied.

Home or Business – Whether it's your home or business, we have you covered. Unlike other companies, we're proud to offer the same quality IT services for both residential and business clients.

Industry-Leading Customer Service – Our professional, honest, and experienced technicians will go above and beyond what is necessary to deliver the best service possible.

Fast Response Time – We will be there when you need us. With same day service, we will get you back up and running in no time.

Predictable Cost with No Surprises – We will never nickel and dime you like other IT Service Providers and you'll never be surprised with an unexpected bill. We charge an affordable flat hourly rate with no hidden fees.
