

TheRealJonSmith Produces, Records, and Mixes EP for Northern California Band NO ONE

Record Producer, Songwriter, Mixer, and Multi-Instrumentalist Jonathan Smith [a.k.a. TheRealJonSmith] 'lends a hand' [produces, engineers, mixes, plays drums, bass, guitar, as well as synths and piano] on the new NO ONE EP. Officially released everywhere on December 18, 2020.

December 18, 2020 (FPRC) -- MALIBU, CA - December 2020 — Record Producer, Songwriter, Mixer, and Multi-Instrumentalist Jonathan Smith [a.k.a. TheRealJonSmith] 'lends a hand' [produces, engineers, mixes, plays drums, bass, guitar, as well as synths and piano] on the new NO ONE EP. Officially released everywhere on December 18, 2020.

Jonathan said: 'Jake [Jacob Nolen, No One's front guy and mastermind] walked in with a batch of firey rock songs that were so inspiring and fun to work on. He sang and played his ass off too. Jake is one talented dude that cares a ton about his craft.' While working on the No One EP, Jonathan played electric guitar extensively as well as played all bass, drums, piano, and synth parts on all the songs.

Jonathan Smith [a.k.a. TheRealJonSmith] is an Award Winning multi-genre record producer, songwriter, mixer, multi-instrumentalist, composer, and original member of rock band Luna Halo [Rick Rubin / Columbia Records]. Taylor Swift recorded the band's song 'Untouchable' on her Fearless: 'Platinum Edition' release. Also, Jonathan has produced two EP's for Kevin Max [Member of Multi-Platinum / Multi-Grammy Award Winning band dcTalk]. Jonathan also co-wrote and produced the song 'Movie Star' for Universal Pictures' 'Jem and the Holograms' with pop artist / actor Hayley Kiyoko ['Jem and the Holograms' cast member 'Aja' / Raven Ramirez on CSI: Cyber].

Jonathan [a.k.a. TheRealJonSmith] has toured the world, written, recorded, produced, mixed, and performed with several Multi-Platinum / Multi-Grammy Award Winning artists, producers and other hit songwriters [for P!nk, Kelly Clarkson, Lady A, Keith Urban, Leona Lewis], as well as many A-List, world-class session musicians.

Formerly based in Nashville, and after spending years working in studios and touring around the world, Jonathan relocated to Los Angeles in 2011. Now he can be found working between these music capitals and enjoys the diversity. Recently, Jonathan produced a record in London at Abbey Road Studios, the most famous studio in the world.

Westlake Village [suburb of Los Angeles, CA] studio 'ProXimity Westlake Village' is Jonathan's private production facility only a few minutes from Malibu, CA. The No One EP was produced, recorded, and mixed at this location.
