

## **50 Artists, 40 Countries, One Song**

*Fifty Independent Artists From Forty Countries Answered Our Call And Selflessly Came Together To Sing The Original Song 'We Will Overcome', To Raise Funds For Those In Need In Their Communities And To Send A Message Of Hope To All Our Brothers And Sisters Around The World.*

July 2, 2021 (FPRC) -- Toronto, Ontario - Singer/songwriters Angelica Ganea and Giuseppe Mileto have organized an original song world collaboration with 50 independent artists from 40 countries. Fifteen months in the making, each participating artist has donated their talent and time during a time and help spread a positive message of hope to all our brothers and sisters around the globe and to raise funds for those in need in the participants own communities.

Much fear and uncertainty has taken over our global population recently. Although many acts of kindness have taken place in the interim, many still experience a host of negative emotions due to financial hardships. The intention behind this project is to give hope, as well as financial assistance.

All revenues from this song, including all donations, will be shared with the participants who, in turn, will donate to those in need in their own communities.

Angelica Ganea is the organizer and co-producer of 'We Will Overcome'. She is the writer and producer of three albums (Remember Who You Are, Sacred and Christmas), and author of three books (Remember Who You Are, Habits Rule You, and Love Is Light).

Giuseppe Mileto is the organizer, co-producer and songwriter of 'We Will Overcome'. Many years of his life was put on hold because of an unfortunate accident. Against many odds, and thanks to Angelica Ganea's support and encouragement, Giuseppe's song 'We Will Overcome' came to fruition.

'We Will OverCome' now available on the official website ([WeWillOvercome.ca](http://WeWillOvercome.ca)), YouTube, iTunes, Spotify and others platforms.
